Re: Comments on Rulemaking RM#15-02, Practice and Procedure Before the Commission

Dear Ms. Poon:

Please accept the following comments with regard to the Commission's Rulemaking from Indiana Industrial Energy Consumers, Inc. (INDIEC).

With regard to 170 IAC 1-1.1-3, comments have been made regarding date and time of service. INDIEC recommends that under electronic filing that the date of service be the date any document is filed with the Commission and that no specific time of service (i.e. 4:45 p.m.) be specified.

With regard to GAO 2015-1, it is administratively easier to have the flexibility of submitting copies of signatures or electronic signatures (i.e., a scanned signature) on evidentiary documents instead of explicitly accepting only original signatures. In the unusual circumstance there were any concerns with the electronic signature, the issue could be explored on cross-examination or the original could be requested.

If we can provide any additional information, please feel free to contact me.

Sincerely,

Jennifer Terry
